Thanks Lauren. All of the PRP representatives conferenced yesterday in follow up to our meeting on Monday, and would like to take EPA up on the opportunity to provide comments to the draft AOC. The PRPs agreed to compile their comments with the goal of getting them to EPA next Friday, January 23rd.

Subject: attendance sheet

Attached is the attendance sheet from Monday's meeting. Kevin Murphy (representing Onondaga County) also participated, but I had already scanned the document when I got his email. I believe Joe and Robert from the City of Syracuse also participated, but I did not get an email from them confirming this.
